**-INSTRUCTIONS/NOTES FOR EACH SECTION APPEAR BELOW-**

- A** College cumulative grade point average is calculated by all points earned divided by hours attempted for all college level course work you have taken. An official transcript(s) must accompany your application.
- B** Points based on your ACT or TEAS-AH score.
- C** Points based on previous college level course work or college degree.
- D** The point value you select should be based on the most recent grade you received in specified course(s). BIO 101 and CHEM 100 are Carl Sandburg College course numbers. See the Carl Sandburg College Catalog for course descriptions.

- E** The point value you select should be based on the most recent grade you received in the specified course. BIO 200, BIO 211, BIO 212, are Carl Sandburg College course numbers. See the Carl Sandburg College Catalog for course descriptions.
- F** Points based on a previous degree or certification as a certified dental assistant or licensure in another health career. Examples of "other health career(s)" include but are not limited to: Nurse Assistant; EMT/Paramedic; Medical Assistant; Medical Office Administrative Assistant; Medical Lab Technician; Massage Therapist; Licensed Practical Nurse; Occupational Therapy Assistant; Physical Therapist Assistant; Respiratory

Therapist; Registered Nurse; Medical Coder; Surgical Technologist; and Radiographer. Call 309/341-5237 if you are unsure if you have a qualifying health career. A copy of your license or other documentation must accompany your application.

- G** This is where you total up the points you have earned in sections A – F (Note the maximum allowed for each section). It is this number that will be a determining factor in your acceptance into the Dental Hygiene program. **Minimum of 23 points required.**
