Practical Nursing Program – Admission Selection Points Worksheet**

The Practical Nursing Program has limited enrollment and a selection process for admission into the Program. After all admission eligibility requirements for placement into the selection pool have been satisfied and applicant has applied online for the Practical Nursing Program, the Nursing Program uses the following point system for selection into the program. The maximum number of points is 22. Top scorers receive conditional admission in ranking order based on seats available. We place all other applicants on an alternate list in ranking order.
